# 3 Simple steps To a clear skin

① ② ③

Liquid micropatch  
technology + charge

1. After cleansing, coat target blackheads. Don't rub it in

Charged micropatch coating

Blackhead in pore

2. Leave on for 3 hours

Minerals entering pore & blackhead

Blackhead gets smaller, grayish, detached from the pore and fragmented

3. Remove with wipe

After washing

Clean contracted pore and **healthy skin**

- Use 5 times for best result
- Forms a film. May tingle

## Ilumi labs liquid micropatch™ technology delivers resolution and balance to your skin

ilumi labs, medical grade, Liquid Micropatch Technology™ is a much more effective approach to skin care with long lasting visible effects. We charge it with specialized materials that detach the toughest blackheads from the surface of the pore, and keep the pore clean and healthy. If you chose to use it in preparation for mechanical manipulation, you willll enjoy easier,faster, and much less painful procedure.
